The patent under consideration is NOT subject to a terminal disclaimer.

A terminal disclaimer was in fact filed in this application leading to the patent; however, a petition to withdraw the terminal disclaimer was filed, on September 17, 2007, and granted on December 31, 2007. A copy of the Decision on Petition is attached.

No terminal disclaimers were filed thereafter, so the issued patent is not subject to a terminal disclaimer.

Favorable consideration of this Request is solicited.

The error was not in the application as filed by applicant; accordingly no fee is required. Transmitted herewith is a proposed Certificate of Correction effecting such amendment. Patentee respectfully solicits the granting of the requested Certificate of Correction.

Applicant believes no fee is due with this request. However, if a fee is due, please charge our Deposit Account No. 50-0624, under Order No. NY-LUD 5298-US5-DIV (10309270) from which the undersigned is authorized to draw.

OFFICE OF PETITIONS
DECISION ON PETITION

This is a decision on the petition filed September 17, 2007 requesting under 37 CFR 1.182 that the acceptance of the terminal disclaimer filed October 11, 2006 be withdrawn. The \$400.00 petition fee has been received.

The petition is granted.

Petitioners assert that, as the claims for which the aforementioned terminal disclaimer was originally proffered have now been amended [cancelled] to remove the basis for the previous obviousness-type double patenting rejection, there is no further need for the disclaimer to remain recorded against this application. The undersigned has consulted with the examiner in charge of this application, and has found that the examiner concurs with petitioners' assertion. Accordingly, the terminal disclaimer is withdrawn. USPTO records for the above-identified application have been changed consistent with this decision.

This application is being forwarded to Art Unit 1646 for further processing.

Telephone inquiries related to this decision should be addressed to the undersigned at (571) – 272-3215
